

Basic Open Water

3 or 4 day course, full diver certification, max depth 18m, We are one of the few dive centers on Koh Tao that before we take you on your training dives we spend time in the swimming pool and the shallow water of one of our bays, allowing you to get familiar with the equipment and a few basic skills. We will spend more time in the water with you, where you will learn to dive. The clear, calm waters of Koh Tao help develop confidence with a few basic skills and realize that you can breathe underwater, culminating in exciting dives off the offshore pinnacles.
